### Message from the MEN'S CLUB

The golfing season for the Men's Club events will wrap up this month. Scheduled events for October are as follows. Oct 1st --International--Oct 22nd Tombstone Event and the final event is the Cross Country Scramble on Oct 29th. Remember, you must be a member of the Men's Club to be eligible to participate in these events. As always, check with the Pro Shop for results. Please sign up for the Cross County by Oct 20th so Brant can formulate the teams. For the Cross Country, we will have a breakfast, short meeting, the scramble and then lunch. Fall is a great time for golf, so enjoy the course and your game.

Charles Earl

### Message from the HCC LADIES CLUB

Another golf season has come to a close. Congratulations to our league championship winners. In the Nine Holers League, Frances Harrell and Pam Busby tied for league champion and Bobbie Townsend took second. In the Sundowners League, Carole Mattingly was league champion and Mickie Cook took second. Janice Utley won the consolation. Congratulations to everyone who participated in the league tournaments.

As one season winds down, another one looms on the horizon. Please consider signing up to chair a committee for the 2012 golf season. The old saying "many hands make for light work" is certainly true when it comes to our Ladies Golf Association. I hope you will consider lending a hand.

Hope to see you on the course,

Carole

I would like to start this month's article letting you all know that Mr. Ben Darnell, our mechanic, has left the club for a more lucrative job offer. Ben was a huge piece of our pie this season due to his ability to repair equipment quickly and economically and will be truly missed. Ben has been replaced by Mr. Jim Bilyeu who has many years of experience repairing large military pieces of equipment along with small engine repair. He understands his vital role within the operation and I am confident that his abilities will be a positive asset for the course.

October is the start of fall during which the practice tee is closed for the season and we ask the membership to please hit balls from the mat. This month also marks the beginning of leaf drop and your staff will work hard to keep the course clean to help make your golfing experience enjoyable. To aid in this effort, the board has approved the purchase of a Buffalo blower, which would not have been possible without the generous assistance provided by Rodger Brown. While this compact machine will add a new echo of noise on the property, it is designed to remove debris very quickly. Our course should be cleaner as we will be able to get around the property more efficiently than was possible in the past. Thanks board members!!

Please don't forget that this month begins the elimination of cart traffic to the 3<sup>rd</sup> fairway. No cart traffic on this fairway in addition to a taller height of cut are strategies to help encourage a healthier green-up next season. Thanks in advance for your cooperation.

Project work for this month consists of finishing repairs to the bunker at the end of the practice tee and dressing up the walk-on area at #2 men's tee.

I would like to remind you that frost will begin to form on the golf course later this month. You may want to call the pro shop before coming over to see if a frost delay has been issued. Thanks in advance.

Respectfully,

Jeff Sexton, GCS

## 19th HOLE Menu

bshouse@hendersoncountryclub.org

I hope everyone is enjoying the cooler weather. We have a lot of fun things planned for October, so we hope you will come by and join us.

This month at the 19<sup>th</sup> hole...

**Octoberfest (All month)** – Throughout the month of October we will have great autumn beers in stock.

**Family Movie Night (14<sup>th</sup>)** – We will be showing the movie *Night at the Museum* at 8pm.

**Club Halloween Party (29<sup>th</sup>)** – Come Dressed in your best costume!

Dear Members,

September was another great month for golf. Labor Day weekend was a busy time at the golf shop. We had events all three days and all were well attended. The past month also brought us the member blowout step aside scramble to help put a close to a fun and exciting golf season.

Outside events in September included the Chamber of Commerce Golfapalooza outing and the Ladies Interclub final match. October events include the Elks Scholarship Outing and the second Tri State Pro Am. Please contact the golf shop if you would like to sign up for one of these events.

Although the scheduled club events are coming to a close, I plan to host some informal Sunday couples events over the next months weather permitting. Please check your email for more information as it becomes available.

I would like to take time to welcome a new addition to the Pro Shop staff. Joe Defilipps has joined us as the new Assistant Golf Professional. Joe came from Victoria National where he served as an assistant for the past two years. He is currently working on his membership into the PGA of America and plans to complete the final stage next year. Prior to moving to Evansville, Joe worked in Arizona at Hassayampa Golf Club as their first assistant from 2007 to 2010.

Joe is married with a two year old daughter. He and his family currently live in Evansville and he is excited about his new opportunity at HCC. Please take time to stop by the shop to say hello and welcome him to our club.

Thank you to everyone for a great September. As always, please don't hesitate to contact me if I may be of service. Have a great October and I hope to see you on the golf course.

Brant

### Winners Circle

2011

Henderson C.C.

Membership Blowout Tournament

6 Person Scramble

#### First Place

Denny Harrell  
Frances Harrell
